Centre Records shown here were correct at the time of publishing. Years 2009 – 2014 records were unavailable. Some events may no longer be contested by certain age groups, weights & distances may also have been altered. Centre Records are not recognised for age groups Tiny Tots to U8 as these age groups are encouraged ***to participate*** *and learn the basic skills of run, jump, throw without the pressure of performing. This is an LAQ philosophy.*

"**AWAY**" performances can ONLY be accepted if achieved at LAQ Carnivals (e.g. Spring & Summer) or LAQ Championships (e.g. Region Championships). Individual performances from Region or State Relays cannot be recognised as athletes are competing in "Team" format. Other Centre Carnival performances are not included.

"**HOME**" Record performances may **ONLY** be achieved by athletes when competing at the Maroochy little Athletics competition meets.

New Centre Records achieved during the current season will be updated on the Website, once ratified.

AWAY RECORDS – R*ecording of Away records commenced 2017-18 - updated March 2025*
